

**"A WORLD OF PLEASURE
FINALLY UNEARTHED!"**

EROS PERVERSION

EROS PERVERSION

Year: 1976

Country: Italy

Written and directed by: Lewis Randall

Aspect ratio: 1.85:1 (16/9)

color

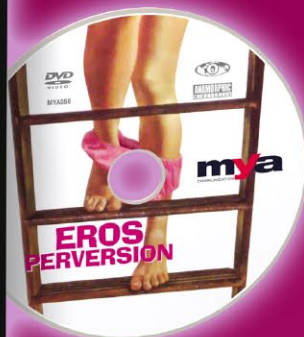

Length: 96 min.

Region: 0

Language:

Italian (original mono)

Subtitles: English

Be welcome in the realms of a film that should not exist. Please enter a world of pleasures that *they* tried to ban back in the day. *Eros Perversion* is one of the rarest sexploitation pictures that has ever been produced in Italy. Object of a manic cult since it disappeared from the few theaters in which it was shown at the time, *Eros Perversion* is now finally back in all its trashy glory.

If you have a taste for mindless sex, debasement for men and women alike, plot holes and, above all, pictures with absolutely no redeeming values, then please enter: this is what you were looking for.

Italo sexploitation at its hardcore best!

EROS PERVERSION
